For the team's first game, a coin-toss will determine first or second practice; thereafter the team named first in the schedule will have first pre-game practice. At the conclusion of the team's pre-game practice, one player delivers one stone to the tee at the home end. The team with the better Last Stone Draw (LSD) has the choice of delivering first or second stone in the first end.

First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments, second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
